

Type - Premium Poloshirt | Range - High Visibility

## PREMIUM POLOSHIRT

**Style:** CL-PSSP-OR (Short Sleeve), CL-PLSP-OR (Long Sleeve)

**Fabric:** 100% Polyester (140gsm Birdseye knit)

High tenacity core spun polyester thread (60 tex)

The unique fabric ensures this polo shirt retains its colour retention, allowing greater wearer comfort, particularly in warm weather. The ergonomic design is perfect for wearing the garment in all active working environments, including outdoor activities such as quarrying, aggregates, construction, utilities, road works and marshalling. The high visibility orange colour and reflective tape are EN ISO 20471 certified to increase the visibility of wearers for vehicle and equipment operators in any lighting condition, day or night. RIS-TOM certification makes it suitable for working on and around railway tracks.

### Garment Features

- Four hole polyester placket buttons
- Unisex Garments
- Modern rib style collar and cuff
- Chevron Reflective tape

**Sizing:** XSmall, Small, Medium, Large, XL, 2XL, 3XL, 4XL, 5XL
