CLASSIC CHEF TROUSER

Style: CT3082

Fabric: 195 gsm 100% polyester mesh
(65% Polyester / 35% Cotton)

These classic black chef trousers are a popular choice among our customers for several reasons. Incredibly comfortable, the baggy fit helps to keep the wearer cool in the heat of the kitchen and the fully elasticated waistband along with the drawstring and toggle fastening ensures a comfortable fit around the waist. They also feature two side seam pockets and twin-needle stitching on the waist band for added strength. The polycotton fabric blend provides durability and helps the trousers to hold their colour after many washes. These robust trousers offer superior comfort for chefs working long hours in the kitchen.
