

MASCOT® Accelerate Safe Male T-Shirt

**Premium high visibility
T-shirt combining breathable
comfort, enhanced visibility
and unrestricted movement
for demanding working
environments.**

Designed with a modern close fit, this premium T-shirt combines a soft cotton inner with a durable stretch polyester outer for lasting comfort. Elastic reflective strips and a square jacquard fabric provide increased flexibility throughout the working day.

Finished with a ribbed neckline, reinforced neckband and certified high-visibility detailing for enhanced comfort and on-site safety.
