

MASCOT® Accelerate Safe Male Sweatshirt

Premium high visibility sweatshirt combining breathable comfort, enhanced visibility and unrestricted movement for demanding working environments.

Designed with a modern close fit, this premium sweatshirt combines a soft cotton inner with a durable stretch polyester outer for lasting comfort. Elastic reflective strips, a square jacquard fabric and ribbed trims provide flexibility and all-day performance.

Finished with a reinforced neckband, elasticated cuffs and waist, and certified high-visibility reflective detailing for enhanced comfort and on-site safety.
