

Alsi Industrial Polycotton Zip Jacket

This durable workwear jacket has many features to ensure reliable protection in various industries.

Designed for comfort, it includes side waist elastication for a tailored fit, two practical chest pockets with secure stud fastening flaps for storing essential items.

The front and back shoulder yokes provide structure, while the action back allows for greater mobility. A concealed zip front fastening maintains a sleek look.

This versatile jacket is available through our workwear rental and laundry service, making it an excellent choice for engineering and manufacturing businesses.
