

Alsiflex® Male Slim Fit Cargo Trousers

An ergonomically designed cargo trouser to help take the stress and strain off your body.

Angled pockets allow easy access as well as loads of storage space meaning these trousers will not only be comfortable to wear but will function to assist you at work.

The slim fit offers a more fitted aesthetic to the leg shape from the thigh to hem, however the extreme stretch nature of the fabric ensures that the comfort and mobility are second to none. Alsiflex® fabric is the ultimate combination of stretch, comfort and performance, made using certified sustainably sourced fibres.
