

MASCOT® Accelerate Multisafe Male Sweatshirt

Premium high visibility sweatshirt combining certified multi-hazard protection, lasting comfort and unrestricted movement for hazardous working environments.

Designed with a modern close fit, this premium sweatshirt provides anti-static, flame-retardant and electric arc protection without compromising comfort. Soft knitted fabric, a ribbed neckline and concealed neck seams ensure excellent flexibility and all-day wearability.

Finished with elasticated cuffs and waist, certified high-visibility detailing and UV protection for enhanced comfort and on-site safety.
